Good Morning,

We have heard of additional “slow roll” protests in and around Huron Church and the Ambassador Bridge over the next few days. Information on social media also suggests that “if we don’t see any change by Monday we will be shutting down the Windsor border crossing completely”. While there is no information that I have been made aware of regarding protests at the Tunnel, if any such blockade occurs at the Ambassador Bridge, we may see an increase in passenger traffic and those commercial vehicles that are able to utilize the Tunnel.

Thank you,

Darrin Boismier
